

AadhunikLabs may collect certain types of information about you when you access and use our products and services, visit our web site, or interact with us in other ways such as attending our seminars and workshops.

The Information We Collect:

When you visit our websites:

- Web analytics information, such as the pages on our web site that you visited and the links you clicked on.
- Your email address, browser information, SSL certificate validity and country when you try to contact with us.
- The content of your communications to us, such as feedback, customer support requests, and technical support requests. These may include emails or recordings of phone calls.

When you create or use AadhunikLabs account:

- AadhunikLabs account login and password information if you have one.
- Name and contact information, such as your first and last name, phone number, mailing address, email address and country.
- Name of your company or institution and your role & title, address and country.
- Payment information, such as your credit card number, if you make a purchase from us.
- License information, such as the AadhunikLabs products and services you have purchased and the licensed users and devices for those products.

When you use our products:

- License information of the products and services you have purchased and the licensed users and devices for those products.
- Usage information of our products, such as which products and services you are using, which third-party products or services you are using that integrate with our products or services, error reports.
- Device and network information, such as your IP address, processor serial number, hard disk serial number, operating system for validating our product license.

How We Use Your Information

We use the personal information that we collect for the following purposes:

- To provide products, services, and support requested by you or on your behalf.
- To process and ship orders that you place with us or that are placed on your behalf, and to provide you with documentation or other material in support of such orders.
- To authenticate and secure your AadhunikLabs account or your use of our products and services.
- To manage licenses and ascertain use of our products and services.
- To administer and improve our products and services, including our web site.

- To enable delivery of consulting or training services and participation in seminars and workshops.
- To provide any communication or material necessary to respond to an order for a product or service, a request for support or information, or an application for a seminar, trade show, or other event.
- To solicit optional feedback in the form of surveys measuring customer satisfaction with AadhunikLabs products, services, and events.
- To notify you of new products, updates, or other information related to purchases or your information requests.
- To provide important information regarding the renewal of agreements, version upgrades, and other notifications about products and services that you license or use.
- To send promotional material about our company, products, services, and events and, in some cases, on behalf of related third-party products, services, and events. You may opt out of receiving promotional materials by email.
- To market and sell our products and services. You may opt out of marketing emails. AadhunikLabs does not use personal information such name and personal contact details for marketing purposes.
- To allow you to integrate AadhunikLabs products and services with third-party services at your request. This Privacy Policy does not apply to any such third-party services.
- To process an employment-related request or application from you, subject to a separate Careers Privacy Policy.
- To enforce our agreements or comply with obligations imposed by applicable laws, regulations, or a court or administrative order. We may be required to disclose an individual's personal information in response to a lawful request by public authorities, including to meet national security or law enforcement requirements.

We may store your information outside your country of residence, wherever we or our third-party service providers operate.

We may retain your information for as long as needed to fulfill the purposes outlined in this Privacy Policy, or as allowed or required by law. We may also retain and use your information as necessary to comply with our legal obligations, resolve disputes, prevent fraud and abuse, and enforce our agreements. We determine how long to retain your information based on its purpose and usefulness. For example, if you once consented to receiving marketing emails but subsequently did not communicate with us or use any of our products or services, we may delete your information. However, if you have a perpetual license to one of our products, we may need to maintain a record of your license

This Privacy Policy applies our products and services. Please refer to the Privacy Policy statement for our web-site provider (<https://www.bluehost.com>) and third party software tools that we use.
